

HOUSE RULES

Swedish House Mafia – 30 May 2026 • Tallinn Song Festival Grounds

Security at the SHM concert is provided by Meeskond Security OÜ. The house rules are established by the event organiser and must be observed by all persons on the premises.

Visitor Obligations

- Comply with the concert house rules.
- Behave properly, observe generally accepted standards of conduct, and keep the premises clean.

Visitor Rights

- Enjoy the concert.
- Contact the organising staff for assistance with any problems.
- Submit suggestions and complaints in accordance with the applicable procedure.

Concert Entry (the organiser reserves the right to refuse admission)

- Entry is granted by a ticket or wristband purchased in advance or at the on-site box office; it will be checked at the entrance gate.
- Security staff have the right to conduct a personal and belongings check and to verify a visitor's age both at the gate and within the concert area. To prove their age, the visitor must present a valid identity document (passport, ID card, or driving licence).
- Visitors must keep their ticket/wristband safely until the end of the event.
- A ticket becomes invalid once it has been scanned or if the control strip has been damaged or removed.
- A wristband becomes invalid if its fastening has been tampered with or if it has in any way been transferred to another person – i.e. an attempt is made to use it more than once.
- Under §23 of the Republic of Estonia Child Protection Act, persons under 16 years of age are **PROHIBITED** from being in public places (including the concert area) without an adult escort from midnight onwards.

Prohibited Items – The Following Persons Will Not Be Admitted

Persons carrying any of the following will not be permitted to enter:

- Glass, tin, plastic, or other containers or objects whose contents or breakage etc. could endanger the safety of themselves or others.
- Their own food and/or drinks.
- Their own alcohol, narcotic and/or psychotropic substances.
- Any kind of pets.

- Professional or semi-professional photo, audio, and/or video recording equipment, including drones. Mobile phones and compact cameras are permitted – only cameras without zoom or interchangeable lenses are allowed.
- GoPro cameras and selfie sticks (monopods/tripods).
- Tablet computers (including iPads), laptops, posters, banners, flags, or umbrellas – any items that obstruct other visitors' view.
- Any firearms or bladed weapons, pyrotechnics, chains, syringes, laser pointers, flashing laser sticks, hazardous substances or objects.
- Bicycles, skateboards, scooters, roller skates, or other vehicles.
- Motorcycle helmets, hiking chairs, folding chairs, or stools.
- Excessive luggage or items – do not bring large bags or unnecessary items that slow down the security check at the gate. A paid left-luggage facility is available at the Valley entrance (large bags, backpacks, suitcases etc. for an additional fee).

Persons who are already aggressive, hostile, under the influence of narcotics, and/or visibly heavily intoxicated by alcohol upon arrival will not be admitted.

Removal from the Concert Premises

The organiser/security company reserves the right to remove from the concert premises any persons who:

- Breach public order (fighting, causing bodily harm, theft, possession/use or dealing of narcotic or psychotropic substances, etc.), engage in vandalism, or are visibly heavily intoxicated by alcohol.
- Possess any of the items listed above, or conduct unauthorised sales and/or marketing activities (distributing advertisements, flyers, etc.) without the organiser's prior approval.
- Engage in crowd surfing (i.e. being passed over the heads of other festival-goers).
- Fail to comply with the instructions of security staff in the concert area and/or violate generally accepted standards of conduct.

A person removed from the concert will have their ticket/wristband invalidated and will lose the right to re-enter. Such a person is also not entitled to demand a refund of the ticket price from the organiser. A visitor who damages or destroys any equipment or property at the concert venue is obliged to compensate for all damages caused in full.

NB: Flying drones over and in the immediate vicinity of the Tallinn Song Festival Grounds before and during the event is STRICTLY PROHIBITED!

Enjoy the show!
